Dear Friends,

REPORT FROM FALL, 2004

We are so grateful for all that the Lord has done these last few months. He has given us wonderful people that we work with overseas. We want to thank you for your prayers and support and we want to pass on to you some pictures from the profitable ministry this fall.

Mali Crusade

It was a miracle that we were able to have seats on the flight to Mali before the Stephen Strader Crusade. The Crusade was powerful with many, many people saved and healed. A journalist, who is a fundamentalist Muslim, came to report on the crusade. The journalist was amazed that his friend was healed of stomach problems by just a spoken word of healing and was further amazed that his friend wasn't asked for payment for the healing. The president of Mali heard the reports and called for us to come and meet him.

Ghana Women's Conference

Debby and Laura Grotenelli were the speakers in Essiama, Ghana for their annual Women's Conference. The women loved Laura and Debby and were encouraged by the teaching and prayers.

We had trouble getting it back to Accra for Debby and Laura to fly to the U.S.. But, as always, God didn't leave us stranded on the road. Fred had to remain 3 days in Accra while the van was repaired.

In October Debby came back to America and had a Women's conference in Ohio and November in NY.

Ivory Coast

In the last few weeks of October, Fred taught at the Bible School in Abidjan. We have some truly special students and our graduates have gone on to do great things. One of our first graduates, Tousou, was just an assistant pastor when he came to the school, but he is now the pastor of 3 churches.

Ghana Leadership Conference

Fred was the speaker at Pastor Charles's Annual Leadership Conference in Essiama, Ghana. This was the first time Fred had done this seminar in an English context, so he prepared the notes into a nice syllabus for the pastors. It was a good seminar and many pastors expressing that it had really helped them.

Benin Leadership Conferences

Ouidah Leaders

This was a follow up seminar to the one in May. Lou Goszleth came along with Fred to speak to the leaders in Ouidah. One of the pastors told of how the people in his village, who follow the witchdoctor, came and burnt the church and his house and then tried to kill him with arrows. But God protected the pastor and the arrows fell to the ground in front of him.

Alladah Leaders

The pastors in Alladah heard about the other Leadership Seminars Fred has been doing in West Africa and asked him to come do one there too. The minivan was finally truly repaired and working right for the daily drive.

Again it was a great seminar. *Thank you so much for praying* for these leaders and the conferences. God has truly been blessing them and they have been an encouragement for the pastors and their churches.

Philippines

Debby went to the Philippines with Charley Elwell, her dad, and Bob Davis, Fred's brother. They were at the Bible School of Norm Holmes in Manila. Then they went to Palawan and did a Leadership Seminar there.

First Video Class

After overcoming many difficulties, in August we taped our first Video Bible Class – The Book of Romans. We taped it in between the first two Hurricanes in Florida. Now Fred is spending this holiday season editing the video and learning how make it into DVDs. Then he will work with translators to add language tracks, starting with tribal languages for West Africa like Fon for Benin, Bombara for Mali and Eva for Togo. Then we want to add other African languages and then add Eastern European languages as well. *We really appreciate your prayers* for this large project.

Plans for 2005

This January 7– 8 Debby is doing her fifth “Keepers of Salt” conference here in the U.S. in Lakeland, FL. Also she will be speaking one morning at the annual GCMFI Convocation. The last 2 weeks of January we hope to tape our second Video Bible Class with her teaching on Covenants. **Please pray** for all of these.

February we fly back to West Africa with some friends. We will be doing a “BIG ROAD TRIP” doing conferences, Bible Schools and churches starting in Ghana, then Benin, Niger, Mali, Burkina Faso and back to Ghana. **Please be praying** for all of this as well.

THANK YOU so much for your concern and prayers for us and the work we are involved in. We need your support and prayers and appreciate them.

We pray God's richest blessings upon you and yours during this Christmas time and throughout 2005!
